

**South Platte Memorial Post No. 7356 - April 2025**

**Post and Auxiliary Meeting Monday April 28, 2025**

**Riders Meeting April 24, 2025**

### **Mail Call**

Comrades,

I continue to say it, but I will not stop. Thank you to all that continue to make this year great. Our new Post home continues to take shape, and those have made themselves available to assist, I cannot express the words correctly to show my gratitude on behalf of the Post itself, but thank you nether less.

Last month, we had the pleasure of having the Platte County Commissioner in attendance, Scott Fricker, who gave us an insight on the proposed concepts of the Route 9 enhancements for Parkville. There is a huge support from many levels of Government that have reached out to Parkville expressing concerns for any plan which might remove us from our new building and the removal of a historical landmark. Even a couple of concerned citizens interviewed with a news station or two. In return, the membership voted at the last meeting to not support any plan or concept proposed by Parkville which would remove us from our property. If asked, that is our response.

We also began our nominations for Officers for the upcoming year. If you are interested in serving at any compacity of the Post, please let me know, nominations will remain open until the Post is ready to elect at the upcoming Post meeting on the 28th of April.

As for upcoming events, this Saturday at the Post, April 19th, we are teaming up with Parkville Parks and Recs and will have the Easter Bunny available for pictures and treats. So if you, your family, and anyone else that would love to get a picture with our long ear, furry friend, come on down.

I ask that all keep our Junior Vice Jessica Zollman in your thoughts and prayers for her Uncle George.

Look forward to seeing everyone on **Monday, April 28th, 2025 7:00 PM South Platte Memorial Post No. 7356 at the Powerplant 2 Main St. Parkville, Mo. 64152**
