

Comrades and Auxiliary,

Email to the Post from Rebuilding Together KC:

**** **

Rebuilding Together Kansas City is a 501c3 that exists to eliminate unsafe and substandard living conditions for our neighbors. We do that by completing essential home repairs and safety modifications for veterans, seniors, people with disabilities and those who simply cannot afford it. We are part of a national organization, and our local affiliate has been in existence for over 20 years.

We recently received a grant to specifically serve veterans in Platte County. Our experience is that veterans typically do not like to ask for help, but we would welcome the opportunity to serve those who have served us, and we do not want this money to go to waste. If you could spread the word and have folks reach out to us, we will do our best to help in any way we can.

Here is a link to our website: <https://rebuildingtogetherkc.org/>

Attached is a video that tells more about who we are and what we do.

Thank you for your service, and I hope we have the opportunity to serve many in your organization as well.

Scott Hickox, Executive Director
